

# Renaissance Dentures

Great smiles just don't happen. It takes the skill of a talented team of professionals working with the right materials to produce a smile that complements your facial details and offers a great fit. Renaissance Dentures are custom designed and meticulously crafted to give you the look and feel that's uniquely you. Your dentist will be happy to help you choose the materials, styles and shades that fit you – and your budget – best.

FEATURES COMPARISON			
	ELITE	CLASSIC	VALUE
	<p>Custom made and fitted for maximum comfort, Renaissance Elite Dentures utilize the finest quality teeth and naturally contoured gum material to create a smile you can truly call your own. Renaissance Elite Dentures are backed by a five-year warranty against breakage and offer unlimited comfort adjustments for the first three years</p>	<p>Designed with high quality teeth, Renaissance Classic Dentures are strong enough to withstand years of wear. These dentures are backed by a two-year warranty and provide you with three previews as well as unlimited comfort adjustments for your first two years.</p>	<p>Renaissance Value Dentures offer an attractive, durable alternative at a very affordable price. They come with a one-year warranty with up to six comfort adjustments during the first year.</p>
